at 1930hrs on Thursday 24th February 2022

Present: Mandie Bristlin (Chairman), Robin Arnold, Enid Morgan,
Ian Sarson, Mick Vann, Chris Peat (Secretary).
Apologies: Carol Piggon, Ken Salisbury, Clare Roscoe, Robin Williams.

1. Minutes of the meeting held on 7th October 2021

It was agreed that the minutes be approved and they were signed by the Chairman.

2. Preliminary analysis of the questionnaire responses

69 young persons questionnaires had been delivered and 54 collected; a response rate of 78%. 300 adult questionnaires had been delivered and 247 collected; a response rate of 82%.

The coding of the responses had been completed just before Christmas 2021. The preliminary analysis of the responses had been completed at the end of January 2022, and the analysis spreadsheets and a first draft of the results copied to all members.

Chris **was thanked** for preparing the first draft, and this was reviewed. Apart from minor editorial and layout changes, the presentation of some results needed revision, and in two cases additional analysis was required. It was suggested that *Word Cloud* analyses of questions 9.1-4 might be helpful, and Robin A agreed to prepare and circulate these for consideration at the next meeting.

There was a general discussion of changes in the community since the previous plan, and of the main differences between the 2011 and 2021 surveys. Some significant differences in activities might be due to changes in behaviour during the Covid pandemic lockdowns.

The objectives of the 2011 Parish Plan were reviewed: many of these had been realised, but some remained to be carried forward.

A revised draft, including the interpretation of the results and comparisons with previous surveys would be copied to members for consideration at the next meeting.
