

### Platinum Jubilee in Carlton

The Platinum Jubilee was celebrated on Sunday 6<sup>th</sup> February by the planting of three trees in St Andrew's Churchyard in Carlton. The first two trees – a rowan and a Chinese hornbeam - were planted by Jayne Dolman (above left) and Fiona Mansfield (below left). The third tree – a crab apple - was planted by Sienna Morgan (1<sup>st</sup> Market Bosworth Beaver Group), Harry Morgan (1<sup>st</sup> Market Bosworth Scout Group), and Jonny Morgan (St Peter's Primary School, Market Bosworth), with help from Nicola Morgan (Chair, 1<sup>st</sup> Market Bosworth Scout Group) pictured above. The three new trees will have a compact habit, and have been chosen to provide colour and interest through the year.

This event complemented one held in 1977 to mark the Silver Jubilee (see above). At that time Jayne Dolman and Fiona Mansfield (nee Staples) were members of the 1<sup>st</sup> Carlton Brownie Pack and had helped to plant two trees in the churchyard – a weeping silver birch and a copper beech – which have thrived and are now providing habitat, shade and interest in this important green space in the centre of the village.

The event was attended by more than 30 local residents, including a former Brown Owl from the 1<sup>st</sup> Carlton Brownie Pack, and everyone then enjoyed tea and cakes in the recently completed Community Hub.
